# About

Alexis Convento is a Pilipinx-American producer, project manager, and curator working between New York City and Berlin. Alexis collaborates with brands and artists alike to ideate, develop, and execute work with intention and scale.

By activating conversations between cultural contexts, Alexis focuses on simple processes that translate art and production into stronger, more empathetic communities.

Meet Compass. The only guitar you'll ever need to buy.

JOIN THE WAITING LIST

This screenshot shows the homepage of the Compass website. It features a close-up image of the headstock of a guitar. The text "Meet Compass. The only guitar you'll ever need to buy." is displayed prominently in the center. Navigation links for Home, Specs, About, Contact Us, and Join the Waiting List are at the top. A "Join the Waiting List" button is located at the bottom.
